LC3 Collaborative’s Game Changer Strategies

**Strategic Hub:**
LC3 Collaborative will be the strategic hub for behavioral health in Doña Ana County.

**2022-2025 Impact:** Develop a coordinated discharge planning system among LC3 providers and then scale across county.

**Client Advocacy and Access:**
LC3 Collaborative will seek to increase access and engage client advocates to support an integrated service support journey for behavioral health clients.

**2022-2025 Impact:** Increase the number of peer support workers, navigators and/or community workers, and pilot a centralized communications database providing real-time information about a person in the behavioral health system.

**Supportive Housing:**
LC3 Collaborative will ensure integrated housing and community supports will advance better outcomes for behavioral health clients.

**2022-2025 Impact:** Build an integrated community approach to affordable, supportive, transitional and long-term housing for behavioral health clients living with serious mental illness and interacting with the judicial system.

**Children and Families:**
LC3 Collaborative will collaborate with educational and service provider partners to ensure children and their families have access to integrated behavioral health services.

**2022-2025 Impact:** Increase coordination of treatment and care plans for clients resulting in better continuity of care.
