The LC3 Collaborative - Our Aspiration:
To build a behavioral health system that is inclusive, organized, centered on the individual and family, and is committed to advocating for and providing comprehensive mental health and substance use disorder services for people across Doña Ana County, New Mexico.

Next step... let's put our planning to ACTION!

**SIGN UP FOR AN ACTION TEAM!!!**
(if you have not done so already)

What are LC3 Action Teams?? The main goal of each Action Team is to identify a new service/program that can be implemented in Doña Ana County to better serve our community/patients in behavioral health. The Action Team also is to identify which agency/agencies etc. are committed to start the new service/program.

I would like to be a part of...

</table>

A brief description of the each ACTION TEAM is included below:
Strategic Hub: LC3 Collaborative will be the strategic hub for behavioral health in Dona Ana County.

Children and Families: LC3 will collaborate with educational and service partners to provide children and their families with access to integrated behavioral health services.

Integrated Housing: LC3 will facilitate integrated housing and community supports to advance better outcomes for behavioral health clients;

Access: LC3 Collaborative will engage state, county, and local partners to advocate for enhanced access to virtual behavioral health services.

Client Advocates: LC3 Collaborative will advocate for client advocates to support an integrated service support journey for behavioral health clients.

### Action Team tasks to be completed before next LC3 meeting on May, 18, 2021

- Identify a chair and/or co-chair (example of roles of the chair/co-chair is attached)
- Identify other community partners you might engage
- Will you be meeting outside of the LC3 general meetings? If so, when?

During our next LC3 meeting, Tuesday May 18, 2021 from 11:30-1:00, we will be allocating time in the agenda for the Action Teams to meet to work on their next tasks. We will also talk about next steps and offer support for each team.
