LC3 Action Team Spotlight...

Supportive Housing

Congratulations to LC3’s Game Changer Supportive Housing Action Team, and a special thanks to Rep. Joanne Ferrary (D-37) for being a champion for behavioral health! LC3’s Action Team and Representative Ferrary partnered together to secure critical funding that will move forward the development of Soteria House, which is a Therapeutic Community Residence to prevent hospitalizations for individuals experiencing a distressing extreme state, commonly referred to as psychosis. It is an evidence-based model that is essential to creating the Ideal Behavioral Health System in the Paso del Norte region.

LC3 Member Spotlight

Congratulations!!!

Micah Pearson, Executive Director, NAMI Southern New Mexico, was appointed by Governor Michelle Lujan Grisham to serve on the NM Behavioral Health Planning Council. Great job and thank you for your continued work for our community and LC3.
